[a] Amounts charged to programme cost-sharing are included in this table. For expenditure relating to UNDP-administered funds and trust funds, please refer to tables 5 and 6.

[b] The financial data for 2004 are based on unaudited financial statements.

[c] As AOS is part of programme expenditure, effective 2002, programme support cost does not include agency support cost. Economic programme is included along with programme support to resident coordinator and development support services.

[d] Based on the new presentation of the financial statements, effective 1997 (budget harmonization), this component includes expenditures previously reported as: (a) programme support and development activities, (b) support to United Nations operational activities, and (c) biennial budget.

[e] Activities relating to regular and cost-sharing programmes and reimbursement for services provided.

[f] From 2001 to current year, includes provision of $27 million to cover estimated liability to UNDP for post-retirement health insurance benefits.

[g] In 1999, the United Nations delivered $16.1 million of total expenditure. The negative amount of $21.9 million is explained by the transfer of $38 million in expenditures from projects/programmes in Iraq (previously charged to TRAC) to trust funds ($16.1 million - $38 million = - $21.9 million)

[h] In 1994 and prior years, UNOPS expenditures were grouped with those of UNDP.

[i] For 2004, this comprises expenditure of $545,314 for DEVNET, $27,994 for IOM, $23,984,585 for NGO.

[j] OTHER includes UNSO, UNDP (ADJ) and other agencies.

[k] The programme expenditure for 2005, by agency amounting to $2,535.1, has a General Management Service (GMS) component of $75.8 million. This is a part of the $525.8 million shown as Biennial support budget under Expenditure.
